TEVIS PAINE WILL CONDUCT COUNTY HORSE SHOW

3 JUDGES FOR FAIR NAMED

Final Arrangements For 3-Day Exposition Near Conclusion As Anderson Returns

The preliminary set-up for the El Dorado County Fair, to be held November 5, 6 and 7 at Marcus P. Bennett, Jr., Memorial Park, is about complete and the staff is working on final arrangements.

Dr. L. J. Anderson returned to Placerville Friday evening from San Francisco with all arrangements for the huge tent in which the fair will have its center, completed.

"Housewives who wish to enter canned fruits or preserves or other foods in the fair should telephone the fair office in the Veterans' Memorial Hill—8 is the number—and let us know what they plan to display," Anderson said.

"The food and canned goods should be taken to the P. F. G. A. fruit house in a box or other container so that it will all be together, and each article should bear the name of the product and the name and address of the exhibitor. These can be written on paper and tied to the jar with a piece of string. The fair staff will affix name cards based on this information.

"At the fruit house, these articles should be turned over to Willard Wilkins, who will be there daily from 9 o'clock until 3 o'clock."

Anderson said that with arrangements for the tent completed, he is prepared to talk to commercial exhibitors if they will contact him.

"Tevis Paine will conduct our Sunday horse show as master of ceremonies," Anderson announced.

"Mr. Paine has been the master of ceremonies for years at the state fair horse show and at many other horse shows held throughout the state and we feel especially fortunate at having been able to obtain his services."

In addition, a partial list of the fair judges was announced. Captain Adolph Adler will judge the running horses. Mr. Adler was an expert race horse shoer for several years and is a competent judge of running stock.

A. E. Mahoney, agricultural commissioner of San Joaquin County, who for several years has had charge of that county's exhibit at the state fair, the Los Angeles County Fair and other exhibitions, will be a judge of fruits and vegetables.

George McCauley, Auburn banker, has consented to act as one of the judges of the gold exhibit.

Other judges will be named as the date for the fair draws nearer.

"Souls At Sea" Opens Sunday

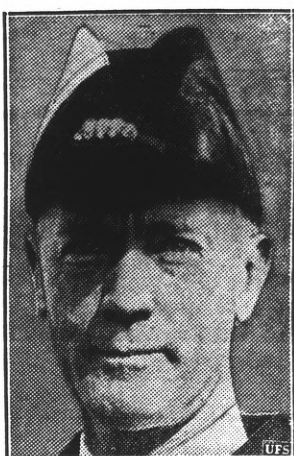

Saturday Program At Empire Presents Two Features, "Hideaway" and "Trapped"

An intensely dramatic, all-but-forgotten piece of maritime history that was an international sensation nearly one hundred years ago is being brought to the screen by Paramount as further evidence of the apparently growing conviction among film producers that truth, in the hands of a good rewrite man, is better box-office than fiction.

The picture is "Souls at Sea," which will play Sunday and Monday at the Empire theater, with Gary Cooper and George Raft in the leading roles, supported by a brilliant cast.

Behind the screen play of re-written man Grover Jones is the tale of an actual shipwreck and of a man who "played God" with human lives on the brink of disaster and got away with it.

The double-feature offering for Saturday only at the Empire presents Fred Stone as the star in "Hideaway," which reports the dramatic and amusing experiences of a poor farm family whose home is invaded by gangsters; and "Trapped," a Peter B. Kyne's western story starring Charles Starrett.

ANNAPOLIS—Rear Admiral Wilson Brown, Jr., who will relieve Rear Admiral David Foote Sellers as superintendent of the Naval Academy at Annapolis, Md., on Feb. 1. Admiral Sellers will reach the retirement age of 64 on March 1.

NEW STRAITS BRIDGE URGED FOR STATE

Excessive Carquinez Tolls Reduce Use Of Structure By Passenger Cars

SAN FRANCISCO — Lieut. Governor George J. Hatfield, a member of the Toll Bridge Authority, today advised Governor Merriam that "Unless the operators of the Carquinez Bridge are prepared to set a reasonable purchase price on their structure, I believe we should proceed without delay to erect a state bridge to break the barrier of exorbitant tolls which now exists."

The Lieutenant Governor charged that "extortionate tolls" on the Carquinez Bridge are contrary to public interest and welfare and have retarded development in Northern California counties.

Anticipating a meeting of the Toll Bridge Authority on October 26, Hatfield, in a letter to Governor Merriam, set forth the results of a traffic study showing that since 1928, auto travel over the Carquinez Bridge has increased only 18 per cent, which bus traffic has jumped 100 per cent and truck traffic 300 per cent.

"The failure of passenger automobile traffic across Carquinez Bridge to keep pace with truck and bus traffic across the same bridge, and with population, motor vehicle registration and gasoline consumption," he asserted, "can only be explained by the excessive tolls charged."

Reporting the results of an inquiry into earnings of the bridge, the lieutenant governor set forth that the total cost of building the bridge, "including \$500,000 for promotional expenses," was \$7,500,000.

"It should be borne in mind," he said, "that at the end of last year the operators of the bridge had collected from the public, in tolls, \$10,269,729, and that even with the deduction of all operating expenses, the bridge already has more than paid for itself."

"To permit the bridge operators to continue to charge the present excessive tolls until the expiration of their franchise in March, 1948, would mean that \$15,776,100 additional would be collected from the toll-paying public—of which more than \$13,000,000 would be net profit to the bridge company."

Retired Navy Man Taken By Death Friday

Hiram Abrams, who had retired after thirty years of service in the Navy as a gunner, died Friday night at a Placerville hospital to which he had been removed Thursday suffering from a liver ailment.

Mr. Abrams had come to this county only recently and was interested in mining in the Somerset district. He is survived by his wife, Mabel, a trained nurse, at Santa Rosa.

The funeral arrangements are in the care of Memory Chapel and El Dorado No. 119, American Legion. The body will be removed to San Francisco for funeral services Tuesday morning conducted by C. C. Thomas Post, American Legion, and burial will be at the National Cemetery at the Presidio of San Francisco.

\$100,000 FIRE IN FRESNO

Seven Firemen Injured As Flames Destroy Two Stores, Damage Five Others

FRESNO, (UP) — Fanned by a stiff wind, a three-alarm fire gutted two stores in a downtown building and damaged five others today.

More than a hundred firemen battled for two hours to bring the blaze under control. The fire started in the storeroom of the Schultz Paint Store. Damage was estimated at \$100,000.

Seven firemen suffered injuries. Occupants of several apartments above the paint store were removed to safety, but the apartments were damaged badly.

Estimated losses to the various establishments damaged in the spectacular fire were: Schutz Paint Store, \$25,000; Montgomery-Ward storeroom, \$3,000; R. S. Nokes Sign Shop, \$2,000; Bell Goss apartment house, \$2,000; Gearhart Radio Shop, \$3,000; Dane Health Food Store, \$2,000; E. W. Lewis electric shop, \$500; and the Towne Club, \$1,000. The remainder of the damage, estimated at between \$50,000 and \$60,000, was confined to the buildings housing the stores.

Several companies of firemen remained on duty today to prevent the spreading of the fire from sparks. The center of the fire was only one block from the center of Fresno.

Stockmen Meet November 13

Semi-Annual Gathering Of Bi-County Association Planned At Lone

The semi-annual meeting of the Amador-El Dorado Livestock Association, a branch of the California Cattlemen's Association, will be held at Lone on the second Saturday in November, Nov. 13.

This is according to an announcement Saturday by Mrs. Camilla Celio, secretary of the association.

The meeting will follow the general program which has been in effect for several years, opening at 11 o'clock in the morning with a business meeting at the women's clubhouse, followed by an afternoon meeting at which leaders in the industry and in state departments associated with the industry will be speakers.

The semi-annual dinner will be at 6 o'clock, followed by the semi-annual Cattlemen's Ball.

PIPE CONTRACT LET; COUNCIL TO MEET AGAIN MONDAY

The Montague Pipe and Steel Company, of San Francisco, was the successful bidder when bids were opened Friday afternoon by the city council, to supply the city with about 1,000 feet of welded steel pipe and a special group of fittings. The low bid was \$763.23.

The council adjourned following the opening of bids until Monday evening, when a meeting will be held to adopt a scale of the wages to be paid on the sewer improvement project.

Masonic Grand Lodge Seats Officers

SAN FRANCISCO, (UP) — James T. Fraser of Eureka took office last night as Worshipful Grand Master of the Masonic lodges of California.

Other grand officers elected with him were Leon O. Whittell, Burlingame, Deputy Grand Master; William H. Waste, Berkeley, Senior Grand Warden, and William B. Ogden, Los Angeles, Junior Grand Warden.

Mrs. Kate Smith and son, Donald, who have spent two weeks with Mr. and Mrs. Edwin Smith and family, left Saturday to join Mr. Warren Smith at Capitola. They were accompanied to the seashore by Mrs. Beattie and daughter, Frances, who drove up Friday afternoon.

MRS. SIMON CONCLUDES 8-MONTH TOUR OF WORLD; RETURNED FRIDAY

"Lake County Of England And Switzerland Can't Compare With Our Tahoe," Declares Placerville Woman Writer; Gathered Material For Articles On Trip

Around the world and back again in a jaunt covering about eight months, Mrs. Caroline Simon returned to Placerville Friday evening convinced that in all the world there is no place like El Dorado County.

"Home certainly looks good to me and you can say that the so-called famous lake country of England and of Switzerland of which we hear and read so much can't compare with our Lake Tahoe," Mrs. Simon declared.

Mrs. Simon arrived in San Francisco earlier this week and was met there by her husband, Albert Simon, Placerville merchant, and the two returned to Placerville Friday evening after a visit at the bay.

The around the world tour was made by Mrs. Simon for the purpose of gathering photographs and material for writing which she has contracted to do and to which she must now turn her attention.

Mrs. Simon sailed from San Francisco to Manila, then visited Japan and China, returning to Manila and thence to Saigon and, stopping en route, to Bangkok and Singapore.

From this point she traveled to Batavia, Sourabaya, Boelalong, Dem Passar, Djoka, Bourabudur and Batavia and then back to Singapore.

The route then lay through Penang, Rangoon, Calcutta, Darjeeling, Benares, Agra, Delhi and Madras to Colombo, thence to Euzet, Port Said, and a side trip to Jerusalem.

From the Holy Land she returned to Port Said, thence to Naples, Rome, Florence, Milan, Lugano, Lake Como, Zermatt, Chamounix, Geneva, Lausanne and to Berne, which was the home of a grandfather.

The route lay then through Interlaken, Lucerne, Zurich, Munich, Leipzig, Neuremberg and Berlin, thence to Cologne, Heidenberg, Strasborg, Paris, London, Edinburgh, and back to Wales, Cornwall and Devon, thence to Ireland's Cork, Killarney, Limerick and Belfast and to New York City.

Since the observations and the material she gathered on the tour and things which she has contracted to sell, Mrs. Simon limited her comment concerning to mention of the lake country of England and Switzerland and and a review of her route.

"But it was a grand trip, one that I have looked forward to for a long time, and" she concluded "if you need proof that El Dorado County is the best place in the world to make your home, you can get it by going around and seeing how the rest of the world lives."

Georgetown Girl Gets License In Reno

Among licenses to wed issued at Reno late Friday, as reported by the United Press, was one to Palmyra Polley, 20, of Georgetown, and Irwin Hilbrandt, 23, of Brainerd, Minnesota.

Mrs. H. E. Dillinger and Miss Marion Dillinger were visitors at Sacramento Saturday.

BOOSTERS MEET AT PACIFIC

Reservations For Dinner Should Be Made Before Should Be Made Before

The regular October meeting of the County Chamber of Commerce will be a dinner meeting at 8 o'clock Monday evening at Pacific House.

Those who plan to attend the dinner, it was announced Saturday by President A. H. Murray, should make reservations with the secretary of the chamber of commerce before noon on Monday, so that adequate preparations may be made at the resort.

The meeting is expected to open the fall and winter campaign for stimulation of interest in snow sports and during the evening members of the Placerville Ski Club will be invited to submit their program for the season, so that the chamber of commerce may offer such assistance as is possible.

Motion pictures provided by the winter sports committee of the state chamber of commerce, showing winter scenes, and a reel devoted to instruction in skiing will be a part of the evening's program.

General Fund Shows Gain

Receipts For First Quarter Of State Fiscal Year Up \$7,000,000, Says Riley

SACRAMENTO (UP) — A substantial increase in the state's general fund revenues for the first three months of the current fiscal year over the corresponding period of 1936 was reported today by State Controller H. B. Riley.

Receipts for the first quarter of 1937 totaled \$43,585,495.51, compared with \$36,029,315.84 in the corresponding three months a year ago. Retail sales tax collections increased from \$18,823,793.35 to \$23,461,345.15, personal income taxes from \$2,842,038.10 to \$5,016,518.46, bank and corporation franchise taxes from \$4,523,004.14 to \$4,908,753.04, and gasoline taxes from \$11,337,421.99 to \$12,563,558.02.

Alcoholic beverage revenues showed a decrease, due to a drop in receipts from liquor licenses and excise taxes, the total amounting to \$3,852,568.97 compared with \$4,176,386.95 a year ago.

KELSEY FARM CENTER TO HAVE EXHIBIT AT COUNTY FAIR

Frank Holt, chairman of Kelsey Farm Center, is also chairman of a committee of the center to arrange for an appropriate display at the coming county fair.

Holt was named with the balance of the committee, at the center meeting Friday night. Helen Bennett, 4-H club clothing leader, will arrange for the display of 4-H club members in the Kelsey district.

The center heard a talk on the fair plans by Farm Advisor Lilley and also was addressed by Glenn Paxton, of the Soil Conservation Service, on the work of the service in this district. Motion pictures of soil conservation work, and other scenic pictures, of Yosemite and also Canada, were shown.

A box supper closed the evening.

Leona Rebekah Lodge To Honor Birthdays

The regular meeting of Leona Rebekah Lodge No. 20, will be held Monday evening at Morning Star Temple. In addition to the business of the meeting, there will be a social occasion following, complimenting members of the lodge whose birthdays fall in the current month.

Mrs. Mary Secombe and granddaughter, Miss Maxine Bathurst, left Saturday, accompanied by Mr. and Mrs. Thomas Ward, to spend the week-end at Mill Valley with Mr. and Mrs. Don Thomsen.

WINDSORS TO VISIT AMERICA—Sometime in November the Duke and Duchess of Windsor are expected to visit the United States, according to an announcement the Duke made in Paris. The famed couple is shown above arriving in Paris, where the Duchess made a tour of shops to buy a winter wardrobe. The Duke escorted her to several and then became a forgotten man.

YOUR GOOD HEALTH

Diabetes Caused by Heredity, Overeating, and Strain; Regulated Diet Necessary

By CLAUD NORTH CHRISMAN, M.D.

MRS. H. S., of Pennsylvania, says that her brother, age fifty, developed what she calls "sugar diabetes" last spring. She wants to know the cause and whether it comes on gradually or suddenly. The usual question of what will cure it is also included.

DR. CHRISMAN

Her brother's weight has decreased from 185 pounds to 145. Here is another chance to make a plea for the periodical health examination. Had this man presented himself to his physician for examination a year or more ago, the disease would have been covered and treated before so much damage had been done. Now he is on the down grade and treatment will have to be more drastic and much longer in duration than if it had been discovered in its early stages.

Diabetes mellitus is a primary disorder of carbohydrate metabolism, the result of a deficient supply of a hormone produced by the pancreas which is called insulin. The result of this deficiency is a diminished ability to utilize glucose, a decrease of glycogen in the liver, and excessive accumulation of glucose in the blood with glucose or sugar showing in the urine.

Severe untreated cases result in acidosis and death. It is not a kidney disease as many think, but a disease of the pancreas which brings about an insufficient supply of insulin to utilize enough sugars and starches, and transform them into glycogen to be stored up in the liver till needed by the system.

It is really too common, occurring in about 2 per cent of our population. It is more frequent in the United States than in other parts of the world.

The disease is on the increase, despite the use of insulin. It is

primarily a disease of degeneration and as a larger proportion of persons are reaching advanced age, it becomes more frequent.

Children and young adults develop the disease, but this is probably due to heredity. In children it is a rapidly developing disturbance and is very fatal, unless quickly controlled by diet and the use of insulin.

It is much more common in those who are overweight, probably due to the tendency of the obese to overeat. In persons over fifty it is a slowly developing chronic disease, which with proper care and treatment permits the patient to live a long and fairly comfortable life, but complete recovery is uncommon.

Heredity, overeating, stress and strain of modern life are the primary causes. The prominent early symptoms are extreme thirst, increased appetite, dry mouth, bulk and emaciation, loss of flesh and strength. There is a great increase in the activity of the kidneys. Severe itching and the feeling of something crawling under the outer skin are common and very annoying symptoms.

Gangrene of the fingers and toes is a late demonstration. Acidosis, particularly if it develops rapidly is the cause of the greatest mortality and this is where insulin produces its greatest good.

Acidosis results from many causes, but is often the result of a starvation diet or too few carbohydrates on the list. The indications that acidosis is developing are drowsiness, mental dulness, followed by stupor and coma. Even at this critical time, the injection of a large dose of insulin may result in quick recovery.

The treatment primarily is one of diet. This must be regulated by a physician who judges the diet and medication by the amount of sugar in the urine and blood. Children almost always require rather large doses of insulin. Older patients in whom the disease is of moderate severity can be made comfortable and live a long useful life, by dieting, avoiding sugars, starches and too much fat.

CAMINO

The Camino P. T. A. held their regular meeting Friday afternoon at the school auditorium, with Mrs. Schaffer, president, presiding. The members voted to buy basketball equipment for the school and to buy curtains and drapes for the office. Plans were made for a card party to be given at the end of the month and November 12th was set for the annual P. T. A. Bazaar. A talk, "The Teaching of Peace in the Home," was given by Miss Barnhouse, of Placerville. At the close of the meeting sandwiches, cookies, and punch were served by Mrs. Bert Wall and Mrs. W. I. Dean and a social hour was enjoyed.

Here comes an apology!—to the Veterans of Foreign Wars. It concerns a statement in yesterday's column about that unfinished Youth's Hall. Seems as though the Vets did get together and took all the materials for the fireplace up there but somebody (we don't know who) decided to use it for the floor. Since they need a floor up there everything is all right, but who is going to build the fireplace? Boy, is our face red—but the building is STILL uncompleted.

Somewhat we always hear more of the world's troubles than we do its blessings but that is only natural we suppose, since no one will deny that all is "milk and honey" today. Mexico takes the spotlight now with the announcement of the fact that its president, Cardenas, intends to seriously "crack down" on the one remaining general who still maintains a private army. Of course, anyone in Mexico could formerly have an army (even if it only had six men) and in several sections today a few groups still stick to the guerrilla chieftains but this is far more serious since Cedillo, a former member of Cardenas' cabinet, has surrounded himself not only with 10,000 troops but also with those opposed to Cardenas' agrarian reform program. Another Spain?

Peace and quiet has once more descended on Placerville according to reports from very reliable sources. That nightly freight train which descended on certain parts of town just when the lights had been nicely put out has ended its season and you will only have to go to sleep once from now on. If only that neighbor's radio would shut up now—

Mussolini's son Vittorio, who recently made headlines by his Hollywood tieup with Hal Roach of "Our Gang" fame will be a long time living down one statement he made last year after the Ethiopian campaign—especially, we hope, in America. For any person to say, "Ho me, war is a sport—the most glorious sport in existence" and have it passed off wholly because of his extreme youth is hardly admissible. The statement is typical, however, of one trained under a dictatorship—especially a Fascist one. And while we are speaking of Italy, is Papa Mussolini catching the "Stalin-itch"? Twenty-six alleged conspirators have recently been convicted in Italy for attempting to overthrow the government. It has been a long time since we have heard of that in Italy. Such things have been happening all along but we certainly haven't heard of them.

One of our secret agents (x-99) now brings us word that the Placerville Grammar School is planning a trip to Sacramento to see that wonderland of miniature, Miss Collen Moore's 9-0-13 foot doll house. This doll castle (for such we understand it is), which is made up of some 200,000 pieces and took nine years in the building, boasts of such items as electric light globes the size of a grain of wheat, a golden organ which really plays and a complete water system throughout the house and garden. How about taking the family out riding Sunday—we suggest the Kelsey-Garden Valley district or Ringgold—It's El Dorado County at its best!

A special Girls' League Cabinet meeting was held last Wednesday, October 6th at Miss Anderson's home.

The first 45 minutes of the meeting was spent in singing League songs, after which time we got right down to business.

Following the reports of the commissioners, we discussed ways of making money for the treasury. It was decided we should have the Girls' Hi Jinks this month if possible. We could sell fruit and candy and bid for lunches to raise money.

There being no further business the meeting was adjourned. Refreshments were then served.—Jane Lyon.

BOYS' FORUM CABINET

The Boys' Forum Cabinet meeting was called to order on Monday, October 11th by President Ted Mason.

Under the usual business, it was decided that the entertainment for the meetings should be chosen from inside the school.

The delegates for the Older Boys' Conference, will be required to have a petition for nomination, signed by the members of the Boys' Forum.

In the near future, two Juniors and one Senior, will be elected to attend the conference, which will be held in Nevada City this year. Ted Mason, president of the Boys' Forum and Ken

Ward, president of the Older Boys' Conference, will automatically attend.—Bill Sayers.

INTERNATIONAL CLUB

International Club was held Tuesday, October 12. The minutes were read and approved.

Doris Wudell and Grace Wilder then read a group of letters they had received from their foreign correspondents, which were exceptionally interesting.

Mildred Morris and Maudie Rainier each gave a very interesting talk on the history and people of England.—Jane Lyon.

SOCIAL SERVICE

The first meeting of the Social Service committee was held on Tuesday, October 5. The committee for the ensuing year is composed of the following students:

Marilyn Rupley, chairman; Seniors: Peggy Cooper, Loren Dahl; Juniors: Jackie Corker, Lester Baumhoff; Sophomores: Gloria Cornelison, Don Chadwick. The Freshman representatives will be chosen later on in the year. Miss Anderson and Mr. Wolf are the advisors for the committee.—Marilyn Rupley.

FRESHMAN RECEPTION

The annual Freshman reception will be held this Friday, October 15 at 7:30 p. m. When the Sophomores will initiate the Freshman into the high school. The committees have been working hard and from all that we hear it will be the best reception in some years.—"Kirk."

The Chico Enterprise reports that Mr. and Mrs. Emil Larsen, of Placerville, spent a recent Sunday at the home of Mr. and Mrs. W. E. Mack.

It showed what the Cougars could really do against a strong team, and they did very well. Every member of the team played good ball. There were a few mistakes which are being adjusted for the coming encounter with Jackson at Placerville, October 16. This will be the first league game and the Cougars ought to really go to town with a team of their own weight and experience. Here's hoping—Ken Ward.

COLOMA

Mr. and Mrs. Charles Prater of Stockton, visited Coloma relatives, Sunday. They were accompanied by Miss Mamie Thomas who has concluded an extended visit in Stockton.

Ed Johnson is visiting relatives and old friends in Los Angeles and expects to be gone for some weeks.

MAN WITHOUT COUNTRY
DESPITE GRANT
OF PARDON

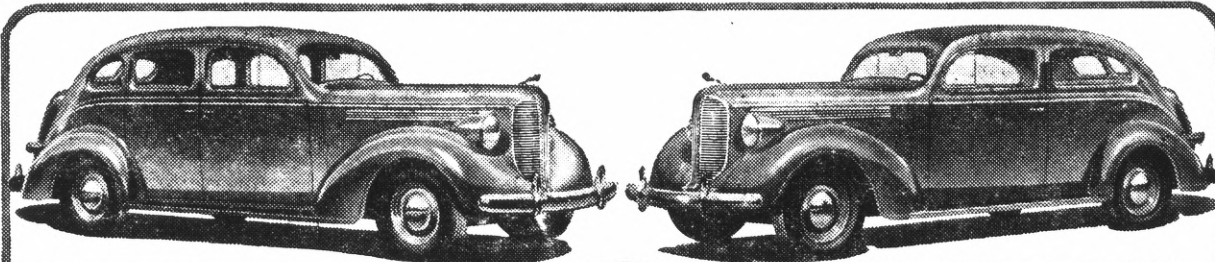

STILLWATER, Minn. (P) — On a ragged patch of ground near Stillwater prison where he served 19 years on a murder charge, Stevan Foster, 73-year-old German subject, is living as a free man, but "a man without a country."

He was granted a pardon two years ago on condition he be deported. His hopes were blasted, however, by Europe's changed geography which resulted from the World War.

Forster was aided in obtaining his freedom by William S. Ervin, now state attorney general and a member of the state pardon board, who, as Pine county attorney, prosecuted him on a charge of slaying his common-law wife.

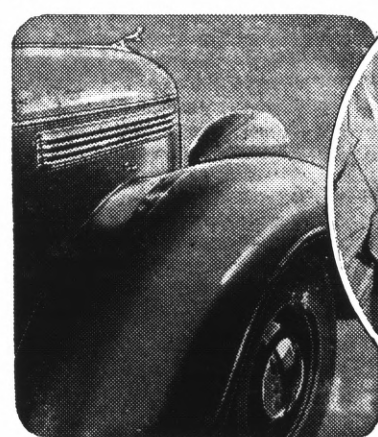

Forster, unable to obtain permission to re-enter Germany or Poland, gained the sympathy of the pardon board, which decided to let the aging German spend his declining years in peace.

New Dodge Line Presents Its Claims to Public Approval

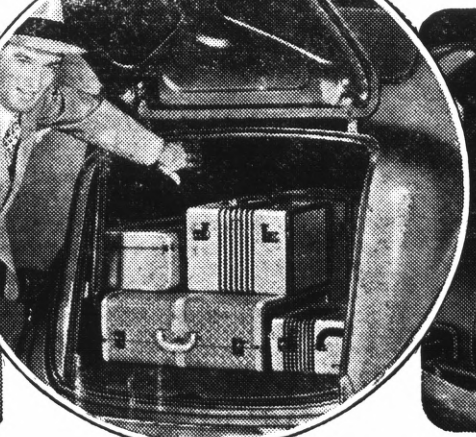

Forty-seven progressive improvements are embodied in this new Dodge 4-door touring sedan—and in the nine other models.

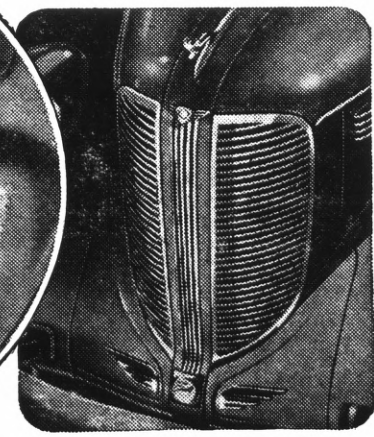

Beautiful, comfortable, and economical to operate—this new Dodge 2-door touring sedan will make many friends for itself.

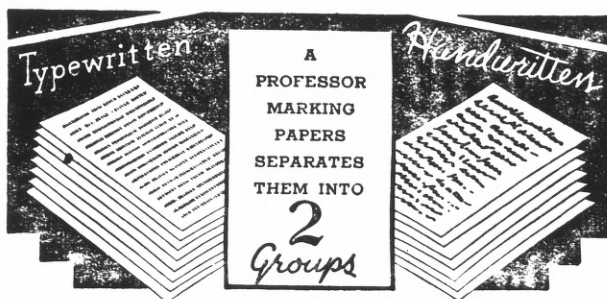

The graceful, sturdy fender construction of the newest Dodge cars is seen here. Headlamps are embedded in the fender arches.

Twenty per cent more luggage space is achieved by carrying the spare tire vertically and by other changes in trunk construction.

Air-streamed beauty of an impressive and substantial order is noted in this head-on view of the new Dodge models.

Which pile will get the better marks?
